Al, great to have spoken with you yesterday. Sorry we couldn't come to an agreement. Maybe sometime in the future. I spoke with Clint again today and there are no other pics. Have you ever considered that Spence may have them?

No prob. Have you given Spence the ok to talk with me. I would like to discuss a deal. However Al, I'm not very impressed with Spence. Does he have clear direction from you? It would be cool if you and I could talk first.

Al, all lawyers are a pain in the ass. Lawyers are terrible deal makers. The best way to handle things are to discuss amongst us, the players, and bring in the lawyers to formalize our agreement.

Al, we should talk sometime. Unless you and Spence have some big play going, which I'd respect, there is nothing but ineptness occurring. You and I should talk sometime, less the lawyers. Hope all is well...

Al, you owe Spence at least 35k and Clint has a claim against you for 25k. Spence will claim your pics for payment. If this goes to discovery than triple your legal fees and kiss your retirement goodbye. Let's pay off these guys and move on. What do you think?

Al, do you have a side deal with Spence? Does his firm have a lean on the pics as collateral for their fees? This is all relevant, if true. I can help you out of this and make us money if you'd ever listen. I've been trying to put a business deal together with you from the start. Please get the Stockwell gig out of the way. He'll sign anything you want that he does not have the missing pics. Will Spence sign off that he doesn't either?
